their children towards a path of their great success in life. At the same time, it should be the expectation of all concerns from the leading institutions that they can always take care of expectations of others and provide the superb opportunity of studying in their institutions. In the previous fee determination order, the condition was that the school is not permitted to collect fees under any other head including under the head of Admission Fee except one month fee by way of admission fee only in case of new admission and it was before the judgment of the Hon'ble High Court of Gujarat. SCA No.2356 of 2021 dtd.22.07.2022. But after the judgment of the Hon'ble High Court of Gujarat, the school is entitled to collect one month fee as term fees twice in a year and also one month fee as admission fee in case of new admission.

(5) Hence, considering the entire scenario of the school, the FRC has determined the just and fair fees **considering income & total expenditure of the school for the academic year 2023-24 and expenditures with the strength of the student and other relevant factors for determining the fee structure**, the FRC has determined fees for smooth running of the school as against the fees proposed by the school for **Pre Primary, Primary & Secondary Section (CBSE English Medium)** as shown in below table.
